MOUNT ROSARY HOSPITAL

ALANGAR, MOODBIDRI – 574227.

An Appeal

EXISTING

PROPOSED

Dear Mr/ Mrs.....

The Helpers of Mount Rosary (Mount Rosary Charitable Institutes) have embarked on a full-fledged program to upgrade, develop and reconstruct the present hospital which is over 70 years. The main aim being to improve and increase facilities to present day standards, reach out to more people and provide quality health care to society in general.

The present building and the facilities are woefully inadequate to fulfil this great ambition; hence we have now prepared modest plans to put into effect our vision to build this hospital to serve all people.

Although all our charitable institutes are run with the meagre income which is mainly from our in house funds obtained from the sale of agricultural products, we need funds to use in the construction and operation of Mount Rosary Hospital.

The sisters, Helpers of Mount Rosary are totally involved in the running of the hospital, homes for the aged and destitute men and women who are taken very good care of, with lots of love&compassion, with little or no payment. Their contribution to Mount Rosary Institutions is immeasurable.

We earnestly appeal to your generosity and philanthropic ideals in sponsoring in part or full some of the hospital rooms or equipment mentioned in the attached lists. Sponsor/ donor can dedicate the room/ ward in memory of their loved ones who have departed or dedicate it in honour of their loved ones who are living. The names of the sponsored and the sponsor will be engraved in a special granite plaque and put in front of the room or ward being sponsored. You will also be privileged to cut the ribbon of the place that you have sponsored.

This is a once in a life time opportunity to donate/sponsor to a part of an institute that will be visited and used by thousands of people who will be coming to the hospital for medical care. The hospital will also be taking professional help and advice from medical institutes in and around Mangaluru as and when required, whereby we will have the advantage of having doctors and healthcare personnel sharing their expertise and playing an important role as an advisory to the hospital board and staff.

We are also fortunate to have the patronage and support of the Archbishop of Bangalore, Most. Rev. Bernard Moras and Bishop of Mangalore, Most Rev. Aloysius Paul D Souza.

We sincerely hope that you will support our project. Details for financial transactions are given here below. We assure you of complete transparency in all financial matters with proper receipts for every donation given.

Thanking you and praying for all your intentions.
Yours Faithfully,

Msgr. Rev. Fr. Edwin Pinto
