Dear Mr. Franz Joseph Heurs, Mr. Alfonse and Anne, and Friends,

Loving greetings and prayerful wishes.

With hearts filled with deep gratitude, we write to thank you for your constant support, generosity, and friendship. Without your help, we would not be able to carry forward this mission as we do today. You are truly great resource persons and, above all, true and faithful friends to us.

We believe strongly that this mission continues only by the grace of God. The Almighty is doing wonderful works through you, and we are only witnesses to His goodness. May this service and mission continue to grow, so that the Good News of Jesus may reach the poor, the marginalized, the downtrodden, and all those in need.

Through your valuable contribution, we have been able to support the education of poor children in our parishes and villages. Many children are now able to continue their studies with hope and dignity. Your help has also strengthened our outreach in hospitals and social work among poor families, bringing care, compassion, and assistance to those who are struggling in their daily lives.

At Mount Rosary Hospital, your support has been a great blessing. There were times when we were unable to afford medicine bills, but because of your constant help, we have been able to pay the vendors and provide medicines to poor families. Today, the hospital has become a pillar of hope for the needy. Many patients who could not find relief in other hospitals around Moodbidri now come to our hospital. They experience and appreciate the care and service given here, and many are returning again. This is a very encouraging and positive sign. We hope that when Sr. Akshatha and Sr. Geswine return, they will take responsibility and further strengthen the hospital services.

We are equally grateful for your support towards the formation of our formees and for your help to medical students. This year, until now, we have received 6 new candidates. We have 12 PUC students, 7 prenovices, and 7 novices, making a total of 32 formees. Our PUC students have performed very well, many achieving good marks and distinctions. The new formation will begin in the month of June.

In May, from 15th to 17th 2026, we will be having our Chapter Evaluation for three days, followed by a retreat. In the month of September, we are planning the First Profession of our novices. You are most welcome to join us, and we kindly ask your prayers for them. We sincerely thank you for your support to our formees; they remember you daily in their prayers.

In a special way, we thank you for helping in the construction of houses for Sr. Celestine and Sr. Martha Pani. This act of kindness has provided them with security and dignity. We also thank you for continuing your support to our former children, especially during their wedding ceremonies. Your thoughtful assistance and loving wishes brought them great joy, and they are truly grateful.

Our sponsored children are also very happy and eager to write to you. They are lovingly preparing their letters and are waiting with joy to share their gratitude. They have great affection for you, and your support has brought strength and hope to their families. They feel proud of your love and sacrifices. All the children have written their letters, which we will be sending to you with their photos.

We also wish to thank you in a special way for accepting our recent request to support the families of our HMR sisters. Whenever there is a need, you have been ready to extend your help. A few families have already received this support, and the sisters are deeply grateful to you. They have conveyed their heartfelt thanks and assure you of their constant prayers.

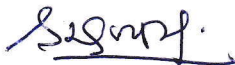

On a personal note, we sincerely thank you, dear Mount Rosary friends, for your constant love and support. All the Helpers of Mount Rosary Sisters convey their loving wishes to you, and we assure you of our prayers always.

May God bless you abundantly and reward you a hundredfold with strength, peace, and joy in every moment of your life. May Mother Mary continue to guide and protect us all.

Thank you once again for your unwavering support and loving concern for the poor and needy.

With grateful hearts,

Yours sincerely in Christ,

(Sr. Suneetha Dsouza)
